

COMPRITAL SpA is one of the most important producer of customized mixes for frozen yoghurt and gelato in Europe.

We carry on specific projects under exclusivity and confidential agreements blending and packaging in customer's logo with reasonable minimum quantities even for small shop chains and with no extra charge (some charge may apply for specific reasons).

Please ask us for more informations. We will be proud to provide your chain or franchising with the mix you had in your dreams and the assurance the producer name will never show up.
